

# GUIDELINE ON THE ROLE OF THE INTERNATIONAL INSTITUTIONS AND FOREIGN NON-GOVERMENT ORGANIZATIONS DURING EMERGENCY RESPONSE

**JUNE 2014** 

## Regulation of Chief of BNPB No. 22 Year 201

## **Directives of President**

- Local government at district level is responsible for disaster management at its region.
- Provincial government gives support to local government.
- National government supports extreem assistance.
- To involve Military & Police
- Disaster Management should be carried from the earliest phase of disaster.

## **Principles**

- International assistance will be needed if national entity does not have sufficient resources to respond to a disaster.
- International institutions and foreign NGOs may conduct on-site learning but without operational measures on responding disaster.
- International assistance will be commenced by accepting regional disaster management institution assistance.

## On-going Review on Regulation of Chief of BNPB No. 22 Year 2010
