Note that this reference to the 'National Focal Point' in this Toolkit is not to be confused with references made to 'the National IHR Focal Point' or 'National Focal Point' as used in the International Health Regulations 2005.

The Primary National Focal Point (NFP) identified in this table for an ASEAN Member States is consistent with the NFP for an ASEAN Member States under the Standard Operating Procedure for Regional Standby Arrangements and Coordination of Joint Disaster Relief and Emergency Response Operations (SASOP).
